TRAVEL INFORMATION

Please arrive 30 minutes prior to departure as you need to collect your train ticket before boarding the train. No catering is available on-board. Pichi Richi Explorer passengers can purchase light refreshments at Woolshed Flat. Afghan Express passengers can purchase food from Quorn outlets, or bring their own picnic.

We operate using authentic heritage carriages without wheelchair access, however during travel folding wheelchairs, walkers and strollers can be stored in the brake-van. We have steep steps to access the train, so passengers must be sufficiently mobile to climb them alone or assisted by their own companion.

Only registered Service Dogs in the company of their handler will be permitted on the train.

Timetabled services may be subject to cancellation or alteration without notice and it may be necessary to replace steam with a diesel locomotive due to circumstances beyond our control.

Should a service be cancelled, we offer a replacement ticket on an alternative service at a mutually acceptable time, or a full (100%) refund. No ticket refunds or transfers apply unless the train service is cancelled. Contact bookings@prrr.org.au for other queries.

For full terms and conditions see our website:
