Speak up on sport and recreation

Member for Stuart, Dan van Holst Pellekaan MP, is encouraging communities in Stuart to have their say on the future of sport, recreation and racing in South Australia, including on funding opportunities and infrastructure development.

The Office for Recreation, Sport and Racing (ORSR) is seeking feedback on the following three projects identified as key priorities for the 2017–2021 Strategic Plan:

Game on, Getting South Australians Active - The South Australian Sport and Recreation Infrastructure Plan - The Grants Review

"Whether you are an athlete, spectator, committee member or involved in local government, it is important your voice is heard," Mr van Holst Pellekaan said.

"We can be very proud of the sport, recreation and racing facilities and programs we have in our electorate, however, there is always room for improvement.

"Your input may help shape policy, improve programs or contribute to the framework used for prioritising projects."

There are 14 forums being held across the state. Those in or near the electorate of Stuart are:

Clare on 26 June 2019 - Port Pirie on 2 July 2019 - Port Augusta on 3 July 2019

For the full list, the booking link and for council sessions visit www.orsr.sa.gov.au

People can read the discussion paper and provide feedback at www.orsr

STREET WEED SPRAYING:

Spraying of weeds along footpaths around houses will commence in the next coming weeks. If you do not want your footpaths sprayed Council asks that you please remove any weeds.

DUMPED RUBBISH:

Council would like to remind residents to please use the bins provided around the town wisely and to make sure we are putting the right rubbish in the correct coloured bins. Also the town bins are not for personnel use, you are required to use your own bins for personnel rubbish or take it out to the transfer station.
