New Citizen's First Task

THE FLINDERS RANGES Australia Day ceremonies were held at the Quorn Swimming pool.

After the breakfast, cooked by volunteers of the Quorn Lions Club, Hajara Meeme was welcomed as a new Australian Citizen. Hajara was then invited to raise the Australian Flag,

The National Anthem was sung, followed by the announcement of community awards by Flinders Ranges Council Mayor, Ken Anderson.

With nominations by far outnumbering the number of awards to be presented, we congratulate all worthy nominees and recipients of the awards for 2024.

Outstanding Citizens and Events Recognised

The Flinders Ranges Council has sworn in a new citizen and recognised its outstanding citizens and events throughout the Council area at Australia Day ceremonies.

The Flinders Ranges Council was excited to welcome a new citizen on Australia Day when Hajara Meeme was sworn in. Mayor, Ken Anderson said that it was great to be welcoming new citizens to Quorn and the region, "It is fantastic to have new people moving to Quorn and the Council area and becoming Australian citizens." Hajara undertook the Australian Citizenship Pledge in front of a large and welcoming crowd and is now proud to be classed as an Australian.

Council also presented the Australia Day Awards with some very worthy winners. "Council received 20 nominations this year across all the categories, so it was a very hard decision for the assessment committee," Mayor Anderson said.

"I am pleased to announce that Dr Susan Andersson is the 2024 Citizen of the Year. Dr Susi has worked tirelessly in the Hawker and surrounding communities for over 30 years and has given her time freely in many other voluntary roles. Dr Susi goes above and beyond to provide a medical service to her community."

The 2023 Quorn Lexus Melbourne Cup Tour took the gong for 2024 Community Event of the Year. "The Quorn Jockey Club put a mammoth effort into this event, starting with applying for the Melbourne Cup to come to Quorn. The Melbourne Cup Tour was am amazing collaborative all-inclusive drawcard for the community and it a great example of what can be achieved when the community works together as a whole."

Council also gave out Active Citizen and Active Organisation awards with Ken Fuller and the Quorn Pioneer Machinery Society being awarded these respectively. "If you haven't seen Ken Fuller pottering away in the Pithi Kawi Bush Tucker Garden, then you've never been there," said Mayor Anderson. Ken volunteers his time in the Garden on a near daily basis tending to the plants, pruning, shaping, hand watering and nurturing them with great care and ease and the gardens wouldn't be what they are today without him. The Quorn Pioneer Machinery Society is a fantastic local volunteer organisation that has revitalised the Quorn Lions Park into a collection and display of historic machinery as well as developing and managing the very popular RV Park."

Certificates of Recognition were also presented to the Kurti Festival, Hawker Christmas Carols, Karen Finlay, Travis McDonald, Ruby Meyers and Simon Meyers. "It was great to see so many worthy nominations this year and everyone in the community who volunteers their time and works hard deserves recognition. We look forward to continuing to celebrate this wonderful community that we live in and seeing many more nominations next year." Mayor Anderson concluded.

Australia Day events were held across The Flinders Ranges Council region in Quorn, Hawker and Cradock. ■

CFS Medal Presentation

Medal presentations for the Quorn CFS 2023 by Graeme Geldard (Captain) and Phil Tapscott, (CFS Regional Training Officer)

These volunteers have provided Quorn with exceptional service to the CFS and community.

Training is every Monday evening and as always, the group are looking for more volunteers.

They provide cross service help also, and can often be called to help SA Ambulance Service with help at accidents in the home and CPR when a prolonged need arises. Some members are also SES volunteers as many skills are complimentary.

10 Year service medals Tom Finlay, Paul Mason, Matthew Skull,

20 year Service medals. Corey Finlay, Feyne Kaesler and Dale Hilder

40 Year Medals Terry Smith and David Hughes.

20 Years and Life Membership Feyne Kaesler.

Tom Finlay : 13 years and 11 months. Tom joined in January 2010 and has been involved in most incident types we get to respond to.

Paul Mason : 13 years and 10 months. Joined in February 2010, of which eight years was a senior firefighter until this year when he stepped back to allow for the next generation of leaders to come through.

Matthew Skull : 3 years and 11 months. Joined in January 2010. This year saw Matthew take on extra roles and responsibilities. He was promoted to senior firefighter and took over the financial role of the Quorn CFS, and in so doing, joined the Management Executive Committee.

CFS Medal Presentation Continued

Terry Smith : 41 years and 9 months. Joined in February 1982 in Port Mc Donald when, 24 years later, he transferred to Quorn, and has spent the last 17 years here.

Terry's vast knowledge and experience has been gratefully accepted and welcomed. Terry spent a couple of years as deputy group Officer for the Flinders Group, assisting 5 other Brigades in incident management. He also was a Captain at the Port McDonald brigade and was awarded the national Medal in 2003 and received Life Membership to the CFS in 2006.

Feyne Kaesler : 21 Years and 7 months. Joined May 2002, Feyne joined to take the Captains role in 2009 and was Captain for 14 years up until this year when he decided to travel, as this was to be his and Nikki's future. Feyne has lead this brigade with total commitment and ensured that Quorn was ready to respond to any incident when needed. His leadership was to ensure that any job was done safely and when this was done, to have some fun. He had everyone working as a team, he encouraged and supported anyone who wanted to be incident controller. I know I have big shoes to fill.

Feyne is also receiving Life Membership to the CFS organisation.

I would like to thank Feyne for the last 14 years as our leader and wish both he and Nikki safe travels and when the proverbial hits the fan come back and assist.

Corey Finlay : 21 years and seven months. Joined in 2002. Senior firefighter for the last six years and is currently a Breathing Apparatus operator. Has always been on the Executive Committee.

Dale Hilder : 21 years and seven months of service. Dale has currently notched up 14 years as a lieutenant and President of the Quorn CFS. He has shown great leadership and dedication to the CFS. It would be a quiet station without him around.

Mark Finlay : 23 years and seven months. Joined in 2002. Mark has been a lieutenant of this brigade for 14 years until his retirement, to make way for the next generation to come through. His experience and leadership with fire-fighting and incident control has been widely appreciated and will still be available to be called upon to lend assistance.

David Hughes : David is currently in his 14th year as a Lieutenant and the secretary of the management executive team. David has been a very committed member of the brigade and has spent many hours completing tasks around the shed, maintaining systems and running vehicles around for repairs. Along with receiving his 40 year clasp, David tonight is receiving 2 other awards. Firstly the National Service Medal. This medal is for members who have helped the community during times of crisis. David has well and truly achieved all of this over his 40 years CFS career. He also received a life membership to the CFS organisation.

Inaugural 'Not Quite a Park Run'

SOME 37 KEEN runners and walkers took to the Pithi Kawi bush tucker trail for a free, all-welcome 'like a parkrun/walk' community event in Quorn on Saturday 27th January. Some walked dogs, others pushed prams and all enjoyed the cool morning, friendly company and beautiful surrounds and views. Participants could choose to walk or run 1km, 2km or 5km around the Pithi Kawi trail.

'Like a parkrun/walk' is inspired by the global 'Parkrun' movement, which started in the UK in 2004 with 13 runners and which today runs across 22 countries with 9 million registered participants worldwide. Australia is home to 486 'parkruns', with our closest parkrun being at Port Augusta, taking in the picturesque foreshore.

Parkruns are held every Saturday morning at 8am and also offer a 2km junior parkrun for children aged 4-14. Run/walk times are officially scanned and recorded and are available to users online.

No-one 'comes last', as there is always a tail walker and the spirit is overwhelmingly positive and supportive. Parkrun is 'free', 'for everyone', 'forever'!

Our 'like a parkrun/walk' attracted people of all ages and abilities and there is enthusiastic support to do it all again.

Organisers will support a similar community event over the next few Saturday mornings. We are looking into what it will take to introduce an official Park Run (walk/push) to Quorn and interested volunteers can contact Rebecca Lyman on 0407 816 210.

Parkrun relies heavily on volunteer support, so this will be vital to establishing an official 'Quorn parkrun'.

Happy running/walking/pushing and hope to see you on the trail! ■

flinders flicks

Film Club of the Flinders Ranges, South Australia

Flinders Flicks commenced screening in 2008 through to 2011 on an irregular basis with both short and full length films. A new format based at Emily's Bistro commenced in 2014 with regular monthly screenings.

November 2022 saw our first movie night in the Town Hall and continued to provide the "complete" night out by arranging for meals to be available from the various Quorn catering businesses.

Our very small committee has put heads together about future screenings. For the time being movie nights will be held less regularly, probably 3-4 times per year. There will also be the possibility for special community screenings if the opportunities arise.

Most films shown previously by Flinders Flicks are held in the Community Library and can be borrowed by library members. ■

CELEBRATING 50 YEARS ESTABLISHED 1973

Recent works

OVER THE SUMMER months it is a traditionally quieter time in the Flinders Ranges, however, at Pichi Richi Railway, it has been buzzing with people performing a range of different activities.

In January, over the Australia Day weekend there were social activities mixed with "working bees" including a Members BBQ on Friday Night and a Society General Meeting on Saturday night, at the CWA Hut in the Quorn Railway Station precinct.

A heat buckle near Stirling Road was repaired and our weed spraying team has been out and about attending to vegetation along the track.

Ongoing maintenance and repairs have been carried out to carriage undergear and locomotive fleet.

Marketing team activity included the distribution of brochures to our business partners, food-outlets, hospitality, accommodation and VICs both in SA and interstate.

FRC Loco Tour

On Australia Day a number of Flinders Ranges Councillors came on a "*Loco Tour*" and saw first-hand some of the amazing restoration and maintenance projects we have underway in our workshops. This included Car 470 which is well on its way to being completed and its return to traffic.

2024 Train running Timetable

Our new timetable has just been released and is being distributed. If you would like more copies please pop into the FRVIC for some or email us at: brochures@prr.org.au

Our 2024 services start on March 9 with our Sundowner departing Quorn late afternoon.
