POWELL GARDENS COMMUNITY WORKING BEE

Thank you to all the volunteers for the Powell Garden working bee on Saturday 14 November! The jobs completed include; renovating the footpaths, removing pruned or dead branches and repairing the water damaged "Zig-Zag' path. We had almost 50 volunteers on the day. Motivated primarily by the incredibly well-cooked BBQ! Thanks, in particular to the Landcare Group, Powell Garden Group, Bronwyn Lucas for organising the gravel and Deputy Mayor Greg Flint who travelled from Hawker.

MAYOR'S MESSAGE

Hello, for the last time, to all our residents!

As advised in the last newsletter, I will be retiring from Council on 2nd December.

It has been a tremendous privilege to represent our community and region as Mayor, and I reiterate my thanks for your ongoing support over the years. It's time, however, to get some life back!

There is quite a big program of project works happening with Council at the moment – street sealing works in Quorn; commencement of the Streetscapes works; completion and integration of the Hawker Gym facility with the Swimming Pool (albeit with the ongoing retention of the additional temporary toilet block); development of the Bush Foods walk, trail, gardens and other opportunities around that aspect; all in addition to the reinstatement works and reconstruction which will be required in the aftermath of the recent rain events.

We're very fortunate to have been able to access significant external funding to enable these projects, and Council has taken a very deliberate and strategic approach to identifying opportunities for longer term benefit and economic sustainability across the region with those projects brought forward. I strongly believe that we have a great future in the Flinders Ranges, and look forward to supporting the next Mayor and subsequent Councils in pursuing further development opportunities whilst retaining those aspects of our towns and area which make it such a great place to be.

So long, and thanks for all the fish.

REMEMBRANCE DAY

Thank you to all involved in organising each ceremony.

COMMUNITY OVAL

The Quorn Cricket Club has gained a grant to construct new cricket nets on the site. The retractable nets are to be place to the left of the entry gate to allow hitting onto the oval. To place the nets the Athel pines trees at the entry will be removed. However, upon completion planting of trees from the Council tree policy will occur. Works will start within the coming weeks and we look forwarded to seeing the great new asset at the oval.

PUBLIC CONSULTATION

Council is undertaking public consultation on the old telephone poles. In the draft streetscape plans the poles are proposed to be removed. Council encourages community members to have their say to decide whether the poles should stay or leave by completing a survey found on the website under latest news, the facebook page or in person, email: council@frc.sa.gov.au, or phoning 8620 050
