Students, back left, Ada, Madi, Paul, Lachlan, Archie, front, Archie, Leo, Pip, Oliver, Eden, and teacher and SRC coordinator, Sharon Lam Yuen Sin. They are holding up the bars of soap they made for sale.

Below : A great day was had by all at the recent successful Station and Business Bowls Day.

HAWKER HITS THE PAPERS!

SUNDAY MAIL January 25th 2025

Escape Magazine - 100 Best Small Towns

Taken from above edition.

“Whether you’re a day tripper, nomad or simply looking for a new holiday spot, regional Oz has loads to offer. This list by Kirrily Schwarz, is just the start.

24 Hawker, SA

This town is known as the gateway to the Flinders Ranges, and the dramatic Wilpena Pound.”

=====

THE TRANSCONTINENTAL Thursday, 6 February, 2025.

FRONT PAGE “ Hawker Stars”

Story by Lachlan Smith.

“HAWKER—The Hawker Area School Student Representative Council (SRC) was involved in a variety of initiatives last year to help support the community and raise funds for different causes. The SRC planned a number of actions to build school enterprise project as well as spread a little happiness in the community

Students designed the soap Bar Entrepreneurship Initiative which allowed them to build a business and go onto to selling products through various means.

Also on the agenda was a Pink Day campaign to raise funds for Breast Cancer research as well as the school spreading joy throughout Hawker by making and delivering Christmas cards to businesses and services..”

This was all on the front page but on page 11 there was a more extensive write up and five more photos.

A great story which would have boosted the confidence of all the students as well as them being seen in the community. Photo of students on front cover of this Town Crier.

Hawker Health Service Update February 2025

Farewell Jiulin

After spending 2.5 years with us Jiulin (RN) has moved on to get a degree in paramedics at the Charles Darwin University in Darwin.

As part of her farewell the staff and management pooled together to purchase her a painting of the Wilpena Pound Ikara Story by local artist Anna Oakey. A dinner was enjoyed at the Cradock Hotel.

Jiulin was an integral part of our hospital family and will be sorely missed.

Hawker Medical Centre

WE VALUE YOUR FEEDBACK

To better patient experience, enhance our service delivery and the care our patients receive, we're gathering patient feedback.

Please note: your feedback will be anonymous and analysed by our external survey management company, CFEP Surveys.

Simply scan the QR code or use the web link to provide your feedback →

cfep.net.au/0lqoxX

Insights to **support**
better care

Recycling and what the Hospital has achieved

Knowing that every little bit helps when recycling the hospital has been actively researching different programs available through the health service to reduce our waste.

So far we have recycled 50kg of single use metal, these items once sanitised get taken to Port Augusta for recycling.

We have always recycled milk cartons, cardboard and food containers and now we are expanding into pharmacy by products.

You can now drop your empty pill packets and webster packs into a box in the hospital admin area, they will then be added to the hospital waste and sent off to recycle.

If you've heard of any other programs that may interest the hospital please let Chelsea H know and she will look in to it further.

Time to update

Now we are coming in to a new tourist season we are currently updating our staff information booklet with things to do, café menus etc. Staff regularly check this to find things to fill their days off.

If you would like us to feature your business in the booklet please forward any information to Chelsea.Haywood@sa.gov.au or drop in to admin and we will gladly add into the welcome packs.

Medical Centre Happenings

The private podiatrist (Nevenka Nesbitt) will be in town on Monday 17th of March, call the clinic to book an appointment.

Carmel Smulders recently celebrated her 80th birthday.

Lunchtime had us singing Happy Birthday and enjoying the cake.

DO YOU NEED SUPPORT WITH A CHRONIC CONDITION ?

THE INTEGRATED TEAM CARE
PROGRAM IS HERE TO SUPPORT ABORIGINAL & TORRES STRAIT ISLANDER
PEOPLE ON THEIR HEALTH JOURNEY.

WE CAN SUPPORT PEOPLE TO ACCESS TREATMENT AND MANAGE THEIR
CHRONIC CONDITIONS.

Welcome Chelsea

Chelsea has finished the grad program and now joins our Hawker team as an RN.

Chelsea came to Hawker as she had a wonderful experience here on her placement rotation, she hopes to gain more ED experience while employed here.

Please be aware that Chelsea has eustachian tube dysfunction (broken ear) and is a little bit deaf. Please speak up when you attend ED.

In her spare time she can't wait to explore the town and Flinders Ranges. A lover of small hikes, she has many on her list to conquer. A dog lover she will happily take staff dogs for a walk if they're working.

Floria Graduate Nurse

We also welcome Floria.

Floria joins us as a part of the graduate nurse program.

You will see Floria around the hospital gaining experience to help her nursing career.

Service Assistant Position Available

The hospital is currently searching for a new service assistant to join the team.

The role includes both cleaning and kitchen hand duties. A flexible roster is available on a permanent contract.

You can apply by going to [Details - Services Assistant - Hawker](#)

If you have any questions please do not hesitate to contact the hospital.

Thanks for your feedback Flinders Ranges.

You've made an impact.

During September/October 2024, we asked you about your experiences with our health services. Here's what you told us...

You value...

The sense of community in our hospitals.

Our current health services

The relationships with staff and the care they provide.

Staff who know the system and understand the challenges of regional living.

Services close to home and support for travel when required.

You're concerned about...

Transport to access health services, particularly for older people and people living in outlying areas.

Frequent turnover of staff, lack of experience and consistency of services.

Availability and access of services in the future (e.g. accident and emergency, allied health and ageing at home services).

The ongoing wellbeing of hospital and medical staff so they can keep looking after the community.

You'd like improvements in...

Flexibility around how and where services are delivered.

Communication to the patient and their family, especially about transfers between hospitals.

Options for telehealth reviews in place of travel for short consultations.

Partnerships with other organisations to provide health support.

Navigation through different parts of the health system and easier access to information about services that are available locally.

Access to qualified mental health practitioners including for young people.

Your responses will be part of the analysis and development of future service plan recommendations for the Flinders Ranges Health Services.

Source: Sean Cheriton FRC

2024/25 SWIMMING POOL SEASON DEC/JAN UPDATE

The HCDB has subsidised swim cards for all children under 16 years for the 2024/2025 swimming season. This has contributed to very pleasing numbers of swimmers at the pool for the past three months. Subsidised swim cards for children will continue for the remainder of this swimming season.

Pool opening hours are placed on Facebook sites before 7.00pm the night before. Swimmers have appreciated the pool blanket this season with improved water temperature and comfort levels.

The HCDB intends to explore other Government and non-government subsidies for children to participate in sports activities, such as partnering with eligible organisations for children to access the Sports Vouchers Plus Program.

FENCING BLUE BURT PARK - partially or fully

A proposal from a local community member has been sent to FRC requesting fencing of the lawned area of Blue Burt Park to prevent children running onto nearby roads.

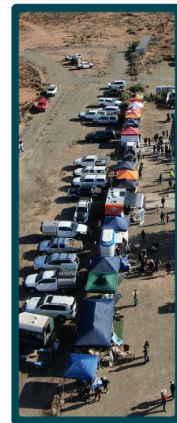

HCDB will respond via a future FRC consultation process for the re-development of the Park.

FORMER CAMERA CLUB FUNDS

When the Hawker Camera Club folded a number of years ago, the HCDB was entrusted to hold the remaining Camera Club funds. Approval by HCDB was given for the Hawker History Group to utilise some of these funds to purchase two large television screens for use at upcoming History Exhibitions in the Institute. Discussions and recollections of former Camera Club members indicate that these funds are not allocated for any other specific purpose. It was also agreed that these screens would be available for use at other events, when not in use for History Exhibitions. The Hawker History Group is very grateful to the former Camera Club for the opportunity to use these funds.

SA ARID LANDS
PASTORAL
FIELD DAY
THURSDAY 20 MARCH 2025
PORT AUGUSTA RACE COURSE

The SA Arid Lands Landscape Board is hosting its second region-wide Pastoral Field Day at the Port Augusta Racecourse on Thursday 20 March 2025.

The massive, one-day event will showcase presenters on a range of land and stock management topics, live demonstrations, stalls and exhibitors all relevant to the pastoral region, as well as a range of children's activities for all ages to keep children entertained.

This event will have a real field day feel, with gates opening at 9am and presenters and demonstrations throughout the day, including a cooking with game meats and native flavours by Louise and Doogal from Flinders Food Co. and Duncan Welgemoed from Africola. Another popular presentation will be horsemanship sessions presented by Bill Willoughby from Willoughby Way.

With a strong focus on showcasing and utilising regional business, the event has 54 stalls, with almost half local to the SA Arid Lands. All stalls and exhibitors provide goods and services in the region.

A community Q&A session will be held with representatives of the Pastoral Board, Livestock SA, Outback Communities Authority and the SA Arid Lands Landscape Board, so people can find out the latest on what's happening with these agencies across the region.

Merino wool will also be showcased with a fashion parade of wool creations by 2024 State Agrifutures Award Winner, and founder of Horrocks Vale Collections, Nikki Atkinson.

In partnership with the Isolated Children's Parents Association (ICPA), a dinner for the pastoral community will be hosted at the end of day and will include an auction to support the continued advocacy of rural and remote children's education. Registrations for the dinner and the auction are required.

The field day is being held for pastoral property owners and anyone working and supporting land management in the SA Arid Lands. This includes pastoral property staff, conservation staff, and anyone involved with caring for Country. It is a family-friendly event, and anyone with dealings with pastoral businesses and an interest in pastoralism are welcome.

Entertainment will be provided by Tilly Tjala Thomas during the day and by Caitlin Drew in the evening.

The event has been supported by the Foundation for Rural and Regional Renewal and the SA Drought Resilience, Adoption and Innovation Hub and by the SA Arid Lands Landscape Board through its Building Pastoral Sustainability Project and your Landscape Levy.

For more information about the event, visit www.landscape.sa.gov.au/saal

Ski for Life –Fund Raiser March Long Weekend

Ski for Life Teams water ski over three days to raise awareness and funds to promote and take action towards mental health and suicide prevention. See www.skiforlife.com.au for further information.

Former resident of Hawker, Bo Dearlove is Vice Chairman of Ski for Life. Here is his story.

December 2017, my son, mentioned that he and a few mates were going to do a 450km relay ski over 3 days from Murray Bridge to Renmark. At the time, I thought that it may be fun so I asked if they needed a 'Roady' to drive the back-up vehicle.

March, 2018, I arrived at Murray Bridge, with the Ski 4 T team, still a little unsure of what to expect, while setting up our camp a bloke wandered over with a beer – "Giddyay, I'm Bill Stockman, I started this show". I realised early that everyone was there for a reason, supporting a mate or having felt the presence of the 'blackdog'. It was good to talk openly about mental health and suicide, its prevention, its domino effect on all and the need to be there and have the conversation – Are you Ok?

I was nominated for the position of Vice Chairperson at the AGM in 2018, a position I still hold, now supporting our Chairperson, Mark Facy. I am also a member of the grants committee. Being a member of the Ski for Life family gives me the opportunity to help remove the stigma attached to mental health, wellbeing, and suicide prevention by participating, fundraising, having conversations and supporting rural and remote communities.

Hawker History Group News - 2025 Exhibitions

Hawker Rodeos & Riders

21st April-15th June (2.00-4.30pm daily; groups by appointment)

Tells of those who started Rodeos in Hawker in the 1950s and those who helped to stage

Hawker Rodeo, 1952

Keith Stevens

events in the '50s, '60s and '90s that were attended by thousands.

Stories of those who rode in these rodeos and of their work in the local pastoral industry.

Stories of those who have continued the rodeo tradition in Hawker and beyond by riding in and supporting rodeos.

The ten houses at Neuroodla

Ross Argent

Living on the Line

3rd August – 7th Sept. (2.00-4.30pm daily; groups by appointment)

Stories of those who lived and worked on the railways & sidings in the Hawker region:

Neuroodla, Hawker, Hookina, Wilson, Cotebena, Parachilna, Mern Merna, Brachina, Beltana.

Highlights the significance of these railway lines to the economic and social fabric of the region.

Hawker War Memorial Swimming Pool

20th Sept – 5th October (9.00-5.00pm daily) Institute side gallery (in conjunction with the Craft Mart)

Tells of the huge community effort to fund raise to establish and maintain the pool.

Stories of those who worked to teach hundreds of local children to swim and the memories of those who learnt to swim and swam at the pool.

All Exhibitions to be held in the Hawker Institute.

Weddings through the years – Wirreanda Cottages Fundraiser (date TBA)

If you would like to contribute to these events in any way, with stories, photos, memorabilia or to help at the exhibitions, please contact Catherine Burt at

hawkerhistorygroup@myyahoo.com or message me on Messenger or leave your name at Hawker Motors.

High quality, pure water on tap...

it's easy with an RO system designed,
built and installed by Rowater.

Rowater's fully automatic membrane desalination systems are ideal for rural locations where fresh potable water with low salt content is required. Whether it's for your homestead gardens, stock, disinfection, washing or for drinking, a Rowater RO system will provide a constant and reliable supply of clean, fresh water.

Rowater specialise in the design and construction of water treatment systems for the land - along with their ongoing maintenance, including:

- Reverse osmosis (RO) systems to ensure high quality water
- Water softeners to prolong equipment life
- Filtration systems - various media
- Storage tanks and pumps

As well as servicing rural properties, we are able to quote, supply and implement upgrades to suit your specific water treatment requirements, whatever and wherever they are.

SPECIALISING IN REMOTE & RUGGED AREAS

From the *TOWN CRIER* Archives

36 Years Ago - March 1989

(Cover Price 70c)

Weather: The Highest maximum for the month of February was 41.7C. The lowest minimum was 11.5C with no rain for the month.

Historical Notes: In 1977 the sail assisted steamer Avoca was the scene of an amazing theft when 5,000 gold sovereigns disappeared from the strong room on a voyage from Sydney to Melbourne.

In 1972 the Namoi Valley in New South Wales was producing almost three quarters of the nation's cotton.

Tasmanian bushranger Matthew Brady was captured in 1825 by a bounty hunter named John Batman, who later became famous for selecting the site of Melbourne.

20 Years Ago - March 2005

(Cover Price \$2.00)

Weather: The highest maximum for February was 40.2C. The lowest minimum was 9.4C with 11mm of rain recorded.

Bowls News: Championship singles were decided. Men— A Gregory defeated A Edwards. Ladies—M McAuley defeated J Clarke.

Men's Open Fours were won by a team from Whyalla, second a team from Quorn and third a Hawker team of A Edwards, L Mannion W Stempel and J Dihm.

Swimming Club: The Annual Swimming Carnival attracted 100 swimmers from the region. Hawker had 5 young swimmers participating with Sasha Andersson and Jessica McKenzie gaining 4th places in their finals.

Historical Notes: 9th January 1902 a bill was introduced into Parliament in New York to try to stop flirting in public.

March 6th 1928 Another modern trend that caused "great concern and agitation" was the report that many women who now had independence through careers were sitting at the wheels of motor cars and smoking on all occasions.

10 Years Ago - March 2015

(Cover Price \$2.00)

Weather: The highest maximum for the month of February was 42.6C. The lowest minimum was 11.5 C with 7.5mm of rain recorded.

Historical Notes: March 1979 The Hawker Branch of the National Trust received a grant of \$2,000 to begin work on the restoration of the Railway Complex.

March 1995 Construction of the Doctor's Consultation Room is progressing according to projected time-lines.

17th March 1995 the South Australian Police Band presented a concert in the Hawker Institute.

The Old Ghan Restaurant

Will permanently close on Saturday 5th April 2025
Due to retirement.

The Restaurant will be open for the usual hours until then.

The menu will change as we near closing time.

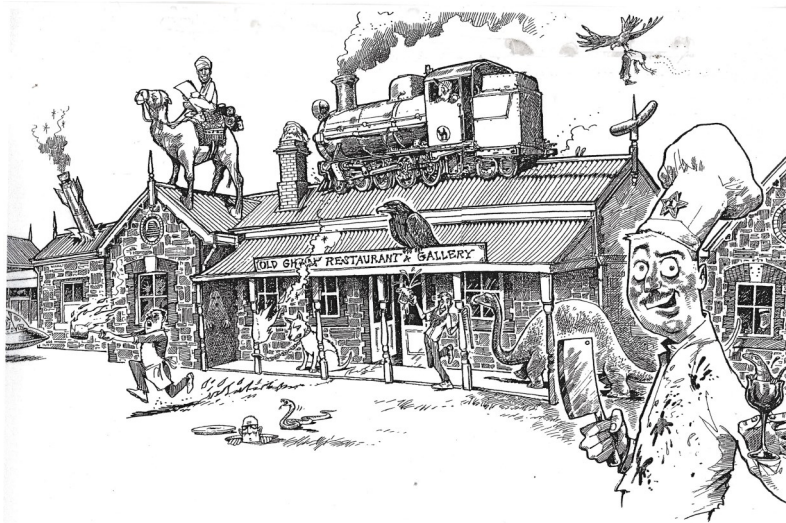

Weekly specials will be available.

Open Wednesday, Thursday, Friday and Saturday from 4pm.

Phone - 0417 846 405

Thank you to our customers for supporting The Old Ghan for the last 30 years.

Thank you also to all our employees over the years, many of whom had their first job working at the restaurant, several going on to later complete apprenticeships and work as chefs.

Wirreanda Cottages Fundraising Dinner

The theme for the next dinner will be
Weddings

The date is yet to be finalised

Please start looking for your photos and
memorabilia

WANTED

Does anyone still have a working slide projector that I can buy.

Kay Lindblom

PH 0428438835

Entertainment in my boyhood years in Hawker.

One visiting entertainer and his troupe that always filled our town hall with people and laughter was the Blind violinist from Peterborough, Harold Raymond.

They visited at least twice yearly as they did most towns in SA and even Broken Hill. Mr Raymond was an extremely talented violin player and played beautiful music. It was said he could make the violin talk, and that he did, naming his violin Audrey. He would pose it a question, for example, do you like seeing the Hawker people and from the violin, in quite audible human like sounds would come, YES I DO LIKE THE PEOPLE, THEY ALWAYS COME TO SEE US.

Harold Raymond and his troupe donated all the profits from their years of travel to others like him that were never given or had lost the marvel of sight.

A wonderful entertainer and gentleman.

Bernie Matthews.

St. Patrick's Day

By Thomas Augustine Daly

The dawn of St. Patrick's Day
Breaks o'er the hills of far away,
And through the twilight's purple veil
The sunbeams flash on hill and dale.

The lark's sweet note is on the wing,
And round the lakes the wild birds sing;
The soft winds whisper through the trees,
And hum like bees among the leaves.

Then wake the harp and beat the drum,
And let the merry dancers come;
For on this day, so bright and gay,
We celebrate St. Patrick's Day!

THANK YOU

Thank you to my family and everyone for your good wishes, cards, phone calls, texts and flowers on the occasion on my 80th Birthday.

I had a wonderful day.

Carmel Smulders

1/ Why can't you borrow money from a leprechaun?
Because they're always a little short.

2/ Why don't you iron a 4 leaf clover?
Because you don't want to press your luck.

3/ Did you hear about the Irish pilot that crashed his helicopter?
He got cold so he turned off the fan.

FAST FISH

HONEY GARLIC SALMON FOR TWO

Sauce
4 tbs honey
2 tbs soy sauce
1 tbs white vinegar
1 large or 2 small garlic cloves, minced
2 salmon fillets, skinless
olive oil
salt and pepper to taste
sesame seeds, finely sliced chives to garnish

Remove salmon from the fridge about 20 minutes before cooking. Pat skin dry with a paper towel and season with salt and pepper. Whisk together the 4 sauce ingredients in a small bowl. Drizzle oil in a non stick frying pan and heat over medium heat. Place salmon into the pan and cook for 3-4 minutes until that side is golden. Turn and cook the other side 2-3 minutes until golden. Pour sauce over the salmon and cook for 1-2 minutes until it starts to thicken. Check the side of the salmon to tell how cooked the middle is. These times usually give medium rare to medium fish depending on the size of the portions. Internal temperature 50C to 55C. Serve drizzled with sauce and sprinkled with sesame seeds and chives.

ASIAN SALMON WITH JASMINE RICE

4 x 150g salmon fillets, skin off
450g packet microwave jasmine rice
lime cheeks to serve
Sauce
¼ cup hoisin sauce
2 tbs dark soy sauce
3 cloves garlic, crushed
1 tbs finely grated fresh ginger
2 green spring onions, finely chopped
Salad
1 cup fresh coriander leaves
3 green spring onions, thinly sliced diagonally
2 cups bean sprouts
2 long red chillis, deseeded, cut into thin matchsticks

Combine all sauce ingredients in a small bowl. Place salmon on an oven tray lined with baking paper. Spoon sauce evenly over the fish. Bake in a preheated oven at 200C for 8-10 minutes until cooked to your liking. Heat rice according to packet directions. Combine salad ingredients in a bowl. Serve salmon with rice and lime cheeks topped with salad.

ASIAN SALMON WITH JASMINE RICE

4 x 150g salmon fillets, skin off
450g packet microwave jasmine rice
lime cheeks to serve
Sauce
¼ cup hoisin sauce
2 tbs dark soy sauce
3 cloves garlic, crushed
1 tbs finely grated fresh ginger
2 green spring onions, finely chopped
Salad
1 cup fresh coriander leaves
3 green spring onions, thinly sliced diagonally
2 cups bean sprouts
2 long red chillis, deseeded, cut into thin matchsticks

Combine all sauce ingredients in a small bowl. Place salmon on an oven tray lined with baking paper. Spoon sauce evenly over the fish. Bake in a preheated oven at 200C for 8-10 minutes until cooked to your liking. Heat rice according to packet directions. Combine salad ingredients in a bowl. Serve salmon with rice and lime cheeks topped with salad.

BARRAMUNDI WITH TOMATO & OLIVES

4 fresh barramundi portions, skin on
400g can diced tomatoes with basil & garlic
140g pitted kalamata olives
400g can cannellini beans, rinsed, drained
8 slices Vienna bread or ciabatta

Heat a large non stick frying pan over medium heat. Season barramundi and cook for 3 minutes each side until golden. Add tomatoes, olives and beans to the pan and cook, covered, for 5 minutes until barramundi is cooked through. Heat a char grill on high. Lightly spray bread slices with olive oil spray and cook 1-2 minutes each side until lightly charred and toasted. Divide bread and barramundi mixture among serving plates and season to taste.

Beltana Railway Station

Beltana Railway Station 1897. SLSA PRG 1610/11/95

FIRST OFF, REMEMBER that it's pronounced 'Beltanna' as in 'pat', not 'Beltarna' as in 'part'.

The town of Beltana was surveyed and laid out in 1873. The new Overland Telegraph from Adelaide to Darwin had passed through there in 1871, and a Repeater Station was built there too.

The site was already a hub for sheep, and the search for gold, silver, and copper. Copper was discovered and mined at nearby Sliding Rock (later named Cadnia), 20 km to the east, in 1870. So Beltana itself was already a thriving town when the railway itself arrived on 2nd July, 1881.

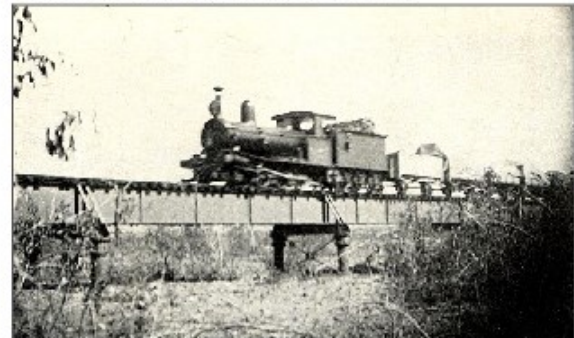

Cutting railway sleepers by the Warrioota Creek. Looks as if the bullock team will haul them along the ground itself

Beltana took part in the 1874 campaign for the Great Northern Railway to be built. This was helped by the large population of 400 people at Sliding Rock campaigning too. And the first sod for it was turned in Pt Augusta in 1878.

The main station building was similar to Hawker's. So many early photos have been damaged like this photo has been

The town, 128 km north of Hawker, was built between the Warrioota and Sliding Rock Creeks (which led to flooding from time to time). So both of these creeks had to be bridged. In fact, altogether there were 65 iron railway bridges between Port Augusta and Beltana.

Crossing Warrioota Creek Bridge a few years after it was built, at the top speed of ten miles per hour (16 km per hour)

The Warrioota Bridge had seven forty-foot spans, and the Sliding Rock Bridge ten similar spans. Presumably the 'top speed' in the photo above was for safety! The small plant that cut sleepers at Warrioota Creek lasted for 25 years.

Standing on the Warrioota Creek Bridge 1905. SLSA B54698/15

A special train from Pt Augusta arrived at 7 pm, 2nd July, 1881, with 150 guests for the station's

launching. Mrs Blood, wife of the O.T. Station-Manager declared the Railway Station open.

After this, the railway contractors moved their base camp from Hookina to Beltana. So for a while the town's population more than doubled. A cricket match was even played between the railway workers and the town's residents.

The Ghan heading north from Beltana Railway Station

A big railway dam to provide water for the engines was constructed just south of the station. A Station Master and Porters were appointed. And there were fettlers' cottages south and north of Beltana, including the famous 'Beltana Six Mile' fettlers' cottages at Puttapa Gap.

Beltana Railway Station around 1920. SLSA B58254

Unfortunately, no trucking yards were ever built at the station despite constant pleas for them. There were such yards at Nilpena Railway Station 24 km south of Beltana, however.

Beltana was a Changeover Station. One crew worked a train from Quorn to Beltana, and another crew took over from Beltana to Marree.

The town of Beltana around 1897. SLSA B 47475

And so there was accommodation in Beltana for these changeover crews waiting to take a train back the way they had come.

The trains turned out to be too expensive for most people to use. First class return Beltana to Port Augusta was £2/14/- (\$5.40), and second class £2/5/- (\$4.50), an enormous sum *then*. You could buy an expensive suit imported from Eng-

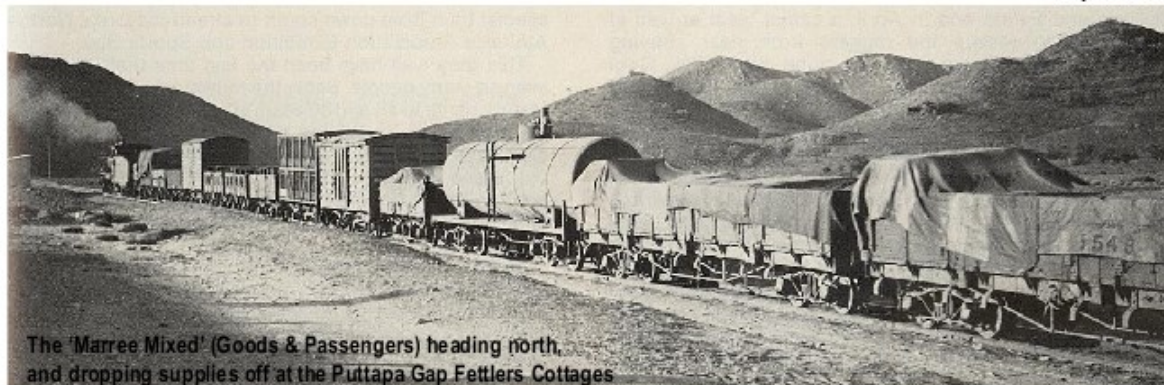

Now no longer a working railway station. Photo Lisa Southon

land for that price! So, like the Overland Telegraph, in a way both were more valuable to the Government and officialdom, than ordinary folk. But the town did profit from all the railway staff living there, and the guests passing through.

The line finally closed in 1958, the new standard gauge line now 8½ km out to the west. It has been said that Beltana boomed when the railway came, and entered a decline when it went. ■

PIPE SPECIFICATIONS

All pipe is to be made of a long hole surrounded by metal or plastic centred around the hole.

All pipe is to be hollow throughout the entire length – do not use holes of different length than the pipe.

The I.D.(inside diameter) of all pipe must not exceed the O.D. (outside diameter) – otherwise the holes will be on the outside.

All pipe is to be supplied with nothing in the hole so the water steam or other stuff can be put inside at a later date.

All pipe should be supplied without rust; this can be more readily applied at the job site.

NOTE: Some vendors are now able to supply pre-rusted pipe. If available in your area, this product is recommended as it will save a great deal of time on the job site.

All pipe of 500ft (153m) in length should have the words “long pipe” clearly painted on each end so the contractor will know it is long pipe. Pipe over 2 miles (3.2km) in length must have the words “long pipe” painted in the middle so the contractor will not have to walk the entire length of the pipe to determine whether or not is it a long or short pipe.

All pipe over 6” (152mm) in diameter must have the words “long pipe” painted on it so the contractor will not mistake it for small pipe.

Flanges must be used on all pipe. Flanges have holes for bolts quite separate from the big hole in the middle.

When ordering 90, 45, or 30 degree elbows, be sure to specify right or left hand, otherwise you will end up going the wrong way. Also, be sure to specify too your vendor whether you want level, uphill or downhill pipe. If you use downhill pipe for going uphill, the water will flow the wrong way.

All couplings should have either right or left hand thread, but do not mix the threads, otherwise as the coupling is being screwed on one pipe it is unscrewed from the other.

BOWLS STATION DAY SUNDAY 23RD FEB

The Hawker Bowling Club hosted our second Station/Business Day at the Hawker Sports Centre on 23rd February. We had 10 teams participate on the day. The Day started with a BBQ breakfast, followed by 2 games before a BBQ lunch. A third game was played after lunch followed by some spinning wheels, door prizes and the announcement of the winners for the day.

We had 2 teams end off the day with 3 wins and were matched with +18 ends won for the day.

Congratulations to team 4—Daren, Sean and Chris and Team 10—Gezza, Ruthie, Larry and Kellie

Special Mention to Team 1—Broom, Lou Walker, Des Finlay and Grant Lever with 3 wins and +17 ends won.

Our NABA award was won by Team 5—Doogal, Louise, Emily and Ian

Thanks to Quality Livestock, Platinum Ag Services and Livestock SA for their kind donations with ensured most entrants went home with something.

We look forward to hosting again in 2026 and more players come out to participate in this fun day on the green.

Bowls News Hawker Cosmopolitan Fours

A mild summer morning greeted the 64 bowlers who had travelled from near and far to play in the Hawker Cosmopolitan Fours event on Tuesday February 25th. Enthusiastic teams came from many surrounding towns including Port Augusta, Peterborough, Jamestown, Melrose, Quorn, Wirrabara, Wilmington and Orroroo. One group chose to continue the historical traditions of their fathers, who were all keen Hawker bowlers in past years. Replicating their fathers' team was Paul Spiers, playing for Jacko, Paddy Reynolds, for KP (Kevin), Henry Hilder for Tom and Gezza Burt for Blue. The boys surprised themselves with two wins for the day, only to be thwarted by another ex-Hawkerite, Tony Carn's team from Quorn late in the day!

Much fun and socialising, as well as keen competition, was enjoyed and all said they will be back again next year. Hawker Bowling Club again excelled itself, maintaining its reputation for putting on a delicious and sumptuous spread of food for the visitors. Winners on the day were 1st Booleroo Centre; 2nd ETSA and 3rd Jamestown. Many thanks to the sponsors on the day: Mogas; Mt Little; Carling Fuel; HEM; and BP Roadhouse, as without their support these events would not be able to happen. Thank you also to the bar staff and catering team who kept everyone well fed and hydrated.

HAWKER AMONG 'PLACES OF PRIDE' SHOWCASED AT AUSTRALIAN WAR MEMORIAL

How Hawker commemorates its veterans is showcased in 'Places of Pride', a stirring film commissioned by the Australian War Memorial to screen on loop in its new Main Entrance.

The film carries the same name as the program of the National Register of War Memorials, an Australian War Memorial initiative to record the location and photos of every war memorial across the country.

'With more than 12,000 memorials recorded on the Places of Pride register, the Hawker War Memorial is one of just 42 locations chosen to feature in this very special film: said Terri-Anne Simmonds, head of Digital Experience at the Australian War Memorial.

"Filming of memorials, commemorative services and the Australians who care for and conduct them, took place across the nation throughout 2024, with the finished film ready for the opening of the Memorial's new Main Entrance: Ms Simmonds said.

"Over 28 minutes, following an arc from dawn to dusk, 'Places of Pride' takes viewers on a journey around Australia, showcasing war memorials and commemorations of all kinds and the communities they serve: said Matt Anderson, Director of the Australian War Memorial.

Whether a capital city or rural town, every state and territory is featured - from Thursday Island off northern Queensland, south to communities in Tasmania, from Newcastle, NSW, west to Broome, WA. and dozens of places in between.

Local places of pride range from monuments, cenotaphs, sculptures and shrines to avenues of honour, walking tracks, gardens, memorial swimming pools and murals.

Alongside the film in the Australian War Memorial's Main Entrance is an Interactive Map Screen where visitors can enter an Australian postcode to search for a memorial in that region.

The Flinders Ranges Council Mayor Ken Anderson was proud to have Hawker chosen to feature. "It is amazing to think that the Hawker War Memorial was chosen to feature in this project and it is a true testament to the dedication of many volunteers over the years who saw a vision for the old Hawker War Memorial Swimming Pool site which has resulted in the stunning War Memorial that is there today."

'To be featured amongst some of the biggest and most stunning war memorials in Australia is a real privilege. I personally thank those who have contributed to the War Memorial over time and also to those that braved that cold morning in June last year when filming was undertaken. The final film is truly fitting."

Visit the Australian War Memorial to see the film on a big screen or watch it online and review the memorials included at placesofpride.awm.gov.au/film

To search the National Register of War Memorials, [visit placesofpride.awm.gov.au](https://placesofpride.awm.gov.au)
